# TALKING SALARIES Beware of Imitations.

Cheap Substitutes and "Just As Good As."

Unscrupulous dealers, mindful only of profit and caring nothing for the health of their patrons, are offering for sale low-grade, impure whiskey, which they tell you is as "good as Duffy's."

It is a cheap concoction and fraud, intended to deceive the people. Of course, when a remedy has been before the public so long, has been prescribed and used by the best doctors and in all the prominent hospitals, and has carried the blessing of health into so many thousands of homes as Duffy's Pure Malt Whiskey has, imitations are bound to arise. But they can imitate the bottle and label enfy—no one can imitate the contents.

Duffy's Pure Malt Whiskey is an absolutely pure distillation of malted grain; great care

Duffy's Pure Malt Whiskey is an absolutely pure distillation of malted grain; gwat care being used to have every kernel thoroughly malted, thus destroying the germ and producing a predigested liquid food in the form of a malt essence, which is the most effective tonic stimulant and invigorator known to science; softened by warmth and moisture, its palatability and freedom from injurious substances render it so that it can be retained by the most sensitive stomach.

Any firm that will sell imitation or substitution Any firm that will sell imitation or substitution goods will sell impure goods. The firm that is dishonest in one thing would not hesitate to be dishonest in another. Whenever you see imitation and substitution goods offered for sale by a firm, beware of anything and everything put up by that firm. You endanger your own life and the lives of your family and friends by dealing with them.

is sold in sealed bottles only—never in bulk. A fac-simile of the genuine bottle is printed here so that you may easily recognize it. It is our own patented bottle—round, amber colored and with the name ''Duffy Malt Whiskey Company'' blown in the glass. The trademark—the Old Chemist's Head—is on the label, and over the cork there is an engraved paper seal. Be certain this seal is not broken.

It is the only whiskey recognized by doctors everywhere as a family medicine. At all druggists, grocers, dealers, or direct.
